To whom it may concern:

This is to certify that Diya Sivasubramani has been a student at Bharata Kala Nrityakshetra, an institution for Indian classical dance, in New Jersey.

Diya has studied at our institute for over seven years and performed dance programs in many of our cultural events.

Diya has completed her seven year Bharatanatyam course at the Bharata Kala Nrityak Shetra and performed her Arangetram. She is a very dedicated student.

Diya has demonstrated her leadership skills over the years.
I wish her well on her future endeavors.
